The latest documented cost package for 10/01/06 - 09/30/07 is in SDMS, doc ID #'s 828067, 828068, 828069 and 828070. You informed me on 11/3 that additional updated packages were not needed; therefore, the site was removed and not included on the FY09 cost schedule. Are you now saying that you will need an updated package from 10/01/07 forward? If so, we'll have to review the schedule to determine the feasibility of putting it back on the schedule and then decide on the priority and timeframe for completion on the package. Let me know what you want to do. I think you also determined that SCORPIOS reports would suffice for future needs.
